# StikYard

**Michael Delgiorno**  
Host, SuperTalk, WTN

"I was a huge fan of Stomp, and [StikYard] makes that seem like an appetizer compared to a main course! Add anointing, and it was out of this world! This needs to be on Broadway!"

**Ginger Stache**  
Chief Creative Officer  
Joyce Meyer Ministries

"We at Joyce Meyer Ministries have been delighted to work with StikYard for many years and without fail, they have added an exciting new dimension to our events. Mark Miller and his team not only bring a new level of energy and creativity but are fantastic to work with, meeting deadlines, and staying on budget. Our event attendees love the excitement StikYard adds, and we greatly enjoy the opportunity to work with such talented collaborators."

"I've had the honor and privilege of working with StikYard on 15 distinct performances over the past four years, ranging in size from 2,000 to 30,000 people, totaling over 150,000 in attendance! Mark Miller is a true creative, and his team is made up of true professionals. If you're looking for that perfect creative element for your event, look no further than StikYard."

They honor God through their hard work, tireless rehearsal and magnificent performances. Mark and his team will thrill everyone with their exciting arrangements and creative ideas that bring true joy to all who hear their music."

**Jim Daneker, Producer, CEO**  
**Musical Director/Producer, Michael W. Smith**

"In my 27 years as Musical Director/Producer for Michael W. Smith, I had some incredible experiences working with other artists - but none of them captivated me or inspired me as much as StikYard. I was utterly stunned the first time we worked together, and I believe it's just a matter of time until they are a household name in the entertainment world. I am beyond excited about collaborating with them in my new role as Producer and Musical Director of Arcade Orchestra - StikYard will be an integral part of that experience, and I believe they will be crucial to our success!"

**Chris Frome**  
**Event Director**  
**Scottrade Center - St. Louis**

"Drummer Boy [produced by StikYard] was one of the best shows I have ever seen. And I have seen a lot working at the Scottrade Center. A phenomenal performance that is not to be missed!"

**Adam Hines**  
**Game Presentation Coordinator**  
**Cleveland Cavaliers**

"StikYard put on one of the best half-time shows I have ever seen! They capture our crowd of 20,562 with their performance unlike any halftime act I have seen before."
